Mary's song for today's feast of the Assumption is called the Magnificat and is based on an Old Testament song by Hannah. But the song is not actually about Hannah or Mary. It's about God and it's about you and me. The word "Magnificat" means that I am praising God for his greatness. Today's feast represents the crowning glory of Mary's life of faith lived in the hope and trust that the promises made to her would be fulfilled.

By singing the Magnificat, Mary shows that she had a deep understanding of God's continual presence at her side in good times and in bad, and that her gratitude was such that her heart overflowed with praise just at the thought of what God was doing in her life. By making the Magnificat our own, we too can recognise a God who has favoured his lowly servant; we can show our gratitude to God for the many ways in which his love surrounds us daily; and we can hope and trust in his promise that, like Mary, we will one day see him face to face and praise him for eternity with the saints in heaven. **Magnificat!**

A Day of Prayer for Ukraine

The Council of the Bishops' Conferences of Europe has proposed a day of prayer across Europe for Ukraine on **Wednesday 14 September**. The Council has asked that cathedrals and other major churches host a period of Eucharistic adoration. In response, the Metropolitan Cathedral will be having a period of exposition from 4pm-5pm that day and then Mass for peace in Ukraine will be celebrated at 5pm.

As always the Exposition of the Blessed Sacrament will be at All Saints Church on Wednesday 10am - 11am.

Solemnity of the Assumption of the Blessed Virgin Mary

Congratulations to the **'Lionesses for winning the Women's Euro 2022 Final'** Their amazing rise to the top of women's football was well-deserved. It took hard work, courage, and perseverance to achieve this level of success. In the words of the Queen, they have **'set an example that will be an inspiration for girls & women today, and for future generations.'**

In another league altogether, this weekend we celebrate the Solemnity of the Assumption of the Blessed Virgin Mary. Without doubt, she has inspired generations of believers over many centuries to listen to her Son Jesus and to follow him. Her example is rooted in humility, faith, love, and perseverance. Our Lady was the first to believe in Jesus as God's Son, the first to listen to him as the Word made flesh, and the first missionary to present Jesus to the world.

We pray for small and medium sized businesses; in the midst of economic and social crisis, may they find ways to continue operating, and serving their communities. "Stores, workshops, cleaning businesses, transportation businesses, and so many others. The ones that don't appear on the world's richest and most powerful lists, and despite the difficulties, they create jobs, fulfilling their social responsibility. ***"This is why it is important to pray for them."***
